## Why Choose Federal Procurement & Contracting Consulting

- Combined 100+ years serving the federal government
- Extensive experience navigating Federal Acquisition Regulation (FAR)
- Staffed by career government officials with wide-ranging backgrounds
- Specialized Experience in proposal preparation, requirements development process, drafting the solicitation, evaluating proposals, issuing the contract award, and administering the contract through closeout
- Uniquely familiar with the policies and procedures that drive government decisions including how to correctly interpret requirements and understand how evaluation criteria are written and scored
- Focus on customer relationships and peer-positioning with an understanding of key government procurement process contacts, including the contracting officer, program manager, and end-user

## Key Clients

### Department of Energy (NNSA)

**Scope of Work:** FP&C Consulting is supporting the DOE through various analyst positions across different levels of management, IT, and administration. Our team leverages our training and experience in both government contracting and technology to insure we meet our client's needs, budgets, and deadlines.

### Defense Health Agency (DHA)

**Scope of Work:** The FP&C Consulting team is currently supporting the DHA in various management, IT, and administration analyst positions. Our background in federal government contract administration, as well as our experience in the private sector, allows our team to play a critical role in supporting the DHA's mission.

### Veterans Admin (VA)

**Scope of Work:** FP & C Consulting has partnered with the VA on their AVAIL multiple award IDIQ as a contracted subcontractor providing various professional consulting solutions.
